Welcome to Xi'an

Honorary Chair

Prof. Panfeng Huang, NPU, China
Prof. Hongwei Liu, Xidian Uni., China

General Chair

Prof. Tiancheng Li, NPU, China
Prof. Quan Pan, NPU, China
Prof. Junkun Yan, Xidian Uni., China

Organizing Chair

AProf. Feng Yang, NPU, China
Prof. Shenghua Zhou, Xidian Uni., China
Prof. Weifeng Liu, SUST, China

Technical Chair

Prof. Junwei Han, NPU, China
Prof. Petar Djuric, SBU, US
Prof. Ba-Ngu Vo, CU, Australia
Prof. Fredrik Gustafsson, Linköping Uni., Sweden
Prof. Franz Hlawatsch, TU Wien, Austria
Prof. Branko Ristic, RMIT, Australia
Prof. Lyudmila Mihaylova, Sheffield, UK
Prof. Uwe Hanebeck, KIT, Germany
Prof. Hongqi Fan, NUDT, China
Prof. Junjie Wu, UEST, China

Program Chair

Prof. Xiaoxu Wang, NPU, China
Prof. Zhunga Liu, NPU, China
Prof. Wei Yi, UEST, China
Prof. Reza Hoseinnezhad, RMIT, Australia
Prof. Brett Nener, UWA, Australia
Prof. Juan M Corchado, USAL, Spain
AProf. V ́tor Elvira, UE, UK
Prof. Jian Lan, XJTU, China
Prof. Gongjian Zhou, HIT, China
Prof. Yonggang Zhang, HEU, China

Plenary Chair

Prof. Deqiang Han, XJTU, China
Prof. Taek Lyul Song, HYU, Korea
Prof. Xiaojing Shen, Sichun Uni., China

Publication Chair

Prof. Zhansheng Duan, XJTU, China
Dr. Duyong Kim, RMTI Univ., Australia
Dr. Amirali K. Gostar, RMIT Univ., Australia

Special Session Chair

Prof. Giorgio Battistelli, UNIFI, Italy
Prof. Benlian Xu, CIT, China
AProf. Linfeng Xu, NPU, China
Prof. Yunfei Guo, HDU, China

Workshop Chair

Prof. Martin Adams, UCH, Chile
Prof. Xiaolong Chen, NAU, China
Prof. Ying Luo, AFEU, China
Prof. Sunyong Wu, GUET., China

AProf. Lianmeng Jiao, NPU, China
AProf. Long Liu, Xidian Uni., China

The 10th International Conference on Control, Automation and Information Sciences (ICCAIS 2021) will be held from October 14 to 17, 2021 in Xi'an which used to be the capital of 13 dynasties in China with profound historical and cultural heritage. This conference aims to provide a forum for sharing the latest research achievements and future development directions in control, automation and information science. All authors are cordially invited to submit articles on research achievements. The conference proceedings will be submitted to the IEEE Xplore Digital Library® and for index by EI Compindex. Selected papers will be invited for submission to SCI-indexed Journals after extension.

Topics include but are not limited to

- Linear / Nonlinear Filtering
- Finite Set Statistics
- Positioning/SLAM
- Target Tracking
- Networked Systems
- Radar Signal Processing
- Data Mining
- Adaptive / Robust Control
- Model Predictive Control
- Information Fusion
- Intelligent Control
- Precision Guidance
- Machine Learning
- Mobile Robots

Special Session & Invited Talks/Tutorials

We invite proposals for feature Special Session or technical talks on the latest research relevant to the conference theme. They are an important, highly popular, tradition of ICCAIS each year. Please contact Dr. Li t.c.li@nwpu.edu.cn or iccais2021@163.com

Recommendation to Journals

Selected papers that are top-ranked in the reviewing score will be recommended for publication after extension on journals including Frontiers of Information Technology & Electronic Engineering (FITEE). FITEE is an international peer-reviewed journal launched by the Chinese Academy of Engineering (CAE) and Zhejiang University, with impact factor 1.604 (JCR, Q2).
